25X1 Later in the day, [] O/DD/I, advised me that State Department was being queried as to the necessity for the inclusion of these classified North Vietnamese shipping figures in the Secretary's briefing.

25X1 14. [] [] Credit Union, called to advise they were writing to James Carraway, Superintendent of the Senate Office Building, in connection with the payment of a note on which one of his employees is a co-maker. 25X1 15. [] Miss Morgan, in the office of Senator Gordon Allott, called re a constituent letter concerning the American Friends of the Middle East. She said she had obtained from the White House copies of the Katzenbach report and the President's statement. She wanted to know if it would be all right to send these to the constituent. She was advised that since this Agency does not comment on matters of this sort, transmittal of these materials would be the best way to handle the query.
